Please answer to the best of your ability and don't worry about feelings. This helps us improve our teaching skills and our material. We deeply appreciate you providing this feedback.

- What is the first name of your practitioner and what was the date of your session?
- On a scale of 1-5 (low to high) how professional was your practitioner?
- Did you receive an in person healing session, a distance session or a group session?
- On a scale of 1-5 (least to most) how safe did you feel during your session?
- On a scale of 1-5 (least to most) how connected did you feel with your practitioner?
- Did your practitioner provide appropriate information about what to expect before and after the session?
- Do you feel the session addressed what you needed or wanted?
- On a scale of 1-5 (least to most) do you feel empowered in your own healing process?
- Would you recommend this healing session to anyone else?
- Any other feedback to share with us? Thank you!
